THE SALTWATER HILLBILLY is a yodeling Rasta, and a Hawaiian cowboy. He's Slim Whitman with a little Bob Marley, he's Don Ho with a little Gene Autry, and he's Elvis with a little Jimmy Buffett.

THE SALTWATER HILLBILLY sings Boat Songs, Beach Songs, Island Songs, Country Songs, and Cowboy Songs creating an atmosphere that is fun, familiar and family friendly.

Created by award winning singer, actor, and songwriter Dennis Doiron, THE SALTWATER HILLBILLY evokes tropical breezes and big western skies. It's like going to a cowboy campfire on a tropical island....with pineapple and a large slice of ham.
